

The Hampton Inn and Suites is offering a reduced rate for IPJI members attending the annual meeting on Saturday, February 20, 2016. The Hampton has some availability for Friday and Sunday nights at the same rate. February is fairly busy on Jekyll with snow birds coming to the island, so please book now if you are planning to come to the meeting.

The Hampton allows cancellations up to three days before day of arrival.

Rates: Standard room \$129, Studio suite \$149. Note: Cutoff date to receive these rates is January 28, 2015.

To make a reservation by phone, call the hotel's local number, 912-635-3733 or Central Reservations, 800-426-7866. **You must mention that you will be attending the Initiative to Protect Jekyll Island annual meeting to get the discounted rate.**

If you wish to book online:

- Go to www.hamptoninn.com
- Choose your dates
- Choose Jekyll Island as your destination
- At the left bottom of the page, there is a spot that says, "Have a special code?" Click there and type in Group Code: **IPJI**, which will pull up our block of rooms.

Looking forward to seeing you!
