

**GIVE THE FOLLOWING MESSAGE TO GOVERNOR KEMP,
THE LEGISLATIVE OVERSIGHT COMMITTEE AND THE JIA REGARDING
THE REVISED MASTER PLAN UPDATE:**

- **The Jekyll Island Master Plan Update does not deal directly with the most important issue of the day – the overdevelopment of Jekyll Island.**
- **Recreational areas, such as the golf course complex, must not be allowed to be used for commercial and residential purposes.**
- **A moratorium must be imposed on development until a forward-looking Capacity Plan can be developed through a robust and transparent public input process.**
